

The Chair Halo™

Your employees may be quarantined, but your brand doesn't have to be.

With more people working from home, it can be difficult to stay professional and on brand. Now, with the Chair Halo, you can do both.

Features

- Attach quickly and easily to any chairback
- Achieve full-color clarity with high quality digital printing
- Display your logo in step-and-repeat patterns or custom full-color designs
- Print on both sides for two backdrop designs in one product
- Present edge-to-edge coverage on most webcams
- Store easily with lightweight and compact design
- Stay on budget with affordable price points
